is a fast and furious racing game that features both city racing and canyon racing. The tough sports process will keep you in shape by doing lots of stunts and competitions to get ready for the real challenge! Airborne II Racing Car forces you to move and rotate the steering wheel and pedals to turn the car around as you turn. But where? In a labyrinth on 30 levels, where there is no center of gravity, as well as through intricate streets, where we turn 90 degrees. Although the computer gets slower with each level, there is plenty of room for creativity in the game. Arcade is a genre of sports that requires maximum effort and concentration. The player must complete a certain task and wait for the car to drive along the track. As a rule, these are car simulators. But there are also arcades in which you need to complete levels in real time.
