"Santana - Supernatural." Santana. AllMusic. Plot summary Santana's late-1970s discography tended towards Latin-style rock. Following this phase, he began releasing more rock-oriented, pop-focused releases, as well as forming the band Alcatraz. However, he returned to pop with his In the Flesh tour, the 1981 album Shaman, and the 1982 "Now You Can Dance" album with the band Level 42. (He would perform some Level 42 songs with Level 42 during his 2012 Summer Tour.) In 1983, Santana released his best-selling album, Supernatural, on which he worked with new musicians like Gregg Rolie and Michael Carabello, in addition to returning with older collaborators such as Tom Coster. The album produced hits such as "Macarena (Bayside Boys Mix)" and "Shhh". It was also the soundtrack to the highly successful (for the time) television show T. J. Hooker. Supernatural helped to establish a new period in Santana's career, with the album selling over 10 million copies, which is a high number for an artist in the mid-1980s. It spawned three top-10 hits in the United States, and became Santana's second number one album on the Billboard 200, behind Caravans. It also earned Santana the Billboard award for Top Latin Album Artist and Songwriter, the first time in the history of the awards the honor was bestowed. It's a perfect example of the success Santana experienced during the peak of his career (later on this decade he would achieve even more success with Panorama and Shaman). Supernatural came with two singles: "Savor" and "Smooth". Both songs were released as double-A-side singles, "Savor" with "Smooth" on the B-side. "Savor" peaked at number 9 on the Billboard Hot 100 and number 2 on the Mainstream Rock Tracks. "Smooth" peaked at number 1 on the Hot 100 and number 5 on the Mainstream Rock Tracks. "Smooth" is the first single to be certified platinum by the RIAA. This was an important breakthrough for Santana because before this moment, Santana and his music were associated with Latin folk music, classical, drumming with Tabla and chants, and so on. However, "

May 22, - Santana Supernatural album review: New Mexican soul star Carlos Santana is back (Sun).Bucs coach Greg Schiano told the Tampa Bay Times' Greg Auman that he would have liked to have retained offensive line coach Mike Westhoff, but wasn't sure that Westhoff was willing to return to Tampa Bay if Schiano did not retain him. "At the end of the day, with all those other things, that just didn't work out," Schiano said. "We had a deal and it just didn't work out. "He might have been shocked to find out that I was willing to do that and that we weren't going to retain him, and he probably felt like a bum. But on the other hand, we can't worry about that. We just have to move on and do what we have to do." Maurice Pouncey and Nate Garner were replaced by Alex Mack and Mike Pouncey. Griffin first went public with her allegation on Sunday, after Deborah Ramirez stated that Kavanaugh exposed his genitalia while both were freshman at Yale. Kavanaugh has categorically denied the allegations made by Ramirez and the other women, and Republicans on the committee have asserted that the women will likely not be forthcoming about the truth of their stories.
